

Institutional Distinctiveness

True to its vision, priority and thrust, the College makes every effort to provide students with quality education using innovative and humane methods of teaching and learning. It also strives to develop competence for employment as well as entrepreneurship of the students and promotes their power of thinking and creative ability. The College is committed to organize student centric activities that will contribute to the understanding of their responsibilities to the family, the society, the nation and humanity.

1. Our college is known for transforming and empowering students who come from diverse backgrounds ranging from underprivileged sections to affluent ones.

2. Facilitating self growth, self worth and actualization of potential of the students through various ways of empowerment and competence building is undertaken through our activities.

3. Students learn to think beyond right/wrong, profit/loss, normal/abnormal and gain educative experience not limited by any extremities.

4. Our students are empowered through educational and cocurricular tasks alike to become better citizens and face the challenges.

5. Our students are given exposure to extended academic activities such as Botanical field trip, industrial visit, higher educational institutions and Pharmaceutical company visits by concerned departments.

6. Students are encouraged to organize events like Spectrum Intra-stream fest etc. independently. This develops the leadership qualities in the students that match with the Vision Statement of the college.

7. Evidence has consistently indicated the importance of students connecting with their advisors from the beginning of each semester.

Our college offers counselling, personality development, skill development training, corporate lectures, pre placement talk for final campus placement.
